Rediscover the natural world on a remarkable safari holiday

Big Five game safaris, evenings in relaxing lodges, open-air cruising and nature at its most primal.

Journey. Fundamentally, that's what the word 'safari' means in Swahili. You can't complete your journey without taking the once-in-a-lifetime chance to witness one of the Big Five in the wild. The five what? Well, just as the world has its Seven Wonders, Africa has its five glorious beasts: lions, rhinos, elephants, leopards, and buffalo. Consider this your safari holiday check-list. African wilderness holidays truly offer the quintessential safari experience.
